Cornish Pirates finished in 6th place in the RFU Championship table this season but could not progress through their playoff pool to reach the semi-final stage. The Pirates' only victory in their last four matches in all competitions was the semi-final triumph in the British & Irish Cup at home to Doncaster Knights. Cornish Pirates only previous appearance in a national final was when they beat Exeter Chiefs 19-16 in the EDF Energy National Trophy at Twickenham on 15 April 2007.

Munster remain the only unbeaten side in the inaugural British & Irish Cup, having won all six of their encounters in the competition so far. The run has been based on a formidable defensive effort which has seen the Munstermen yield just three tries in 480 minutes playing time.

ABBREVIATED REGULATIONS

In the event of a draw at full-time, there will be a five minutes break before extra time will be played consisting of two periods of 10 minutes each way, plus any stoppage time. There will be a one minute half-time break.

If the scores are tied after extra time, then the team that has scored the most tries in the match (including extra time) shall be deemed the winner. However, if the teams have scored the same number of tries then the winner of the match will be determined by a place-kick competition, where each team must nominate three players, who were on the playing area at the final whistle, to take part. Each will take two kicks in turn from six designated positions on the field, and if the teams are still level at the end of the six kick competition then a 'sudden death' format will be adopted.

Full regulations are available from the RFU
